

Are you seeking or enrolled in preschool and/or childcare in Falmouth?

We need to hear from you!

We have been awarded a grant to help support access to and expand opportunities for local early education and care programs. Your responses to a brief online survey are anonymous and help identify how we may best support your needs and those of our community.

Click [here](#) to take the survey (también disponible en español).

Want to do more? Tell us about your experience during a virtual focus group on Zoom Monday, May 16th or Thursday May 19th from 8-9pm. Every participant gets a gift card to Eight Cousins Books! **Click [here](#) to sign up.**
