

The card has a dark teal background with a decorative border of green leaves and red ladybugs. The title 'RAINFOREST SAFARI' is in large, white, serif font. Below it are five paragraphs of white text, each preceded by a small white arrow. The text describes a pretend safari activity for children, including hiding toys, packing gear, walking around, using binoculars, and using a steam vaporizer.

RAINFOREST SAFARI

Hide toy animals all over your house then tell your child you're going on safari today!

Put on backpacks, boots, hats etc (for real for for pretend). Pack sunscreen & water!

Walk around for a while -- stopping every once in a while to have a (real or pretend) drink of water because it's so hot.

Use binoculars (or make them from toilet paper rolls with [this tutorial](#)) to spot the animals around the house.

If you have a steam vaporizer, turn it on and teach your child more about the type of weather that is found in the rainforest.
